

Hacky Easter 2021

Ansi Art

1. Click the **Ansi Art** image:

2. Open a Terminal window.
3. Execute the following command, from the Terminal window, to netcat to **46.101.107.117** on port **2105** and output the result to file **ansi-art**:

```
nc 46.101.107.117 2105 > ansi-art
```

4. Press **Ctrl+C** to close the netcat connection.
5. Execute the following command, from the Terminal window, to search the **ansi-art** file for the letter **h**:

```
cat ansi-art | grep h
```

```
he2021{4Ns1MG1k}
```

6. Close the Terminal window.

Flag: **he2021{4Ns1MG1k}**
